

MIKE DITKA

2007 MERLOT

California

EXCELLENCE...I work with the best possible teams to achieve it. When I'm pursuing my passions I demand it.

My passion for football led me to three Superbowl rings. I started my own chain of successful restaurants because of my passion for great food. My passion for wine created the bottle you're holding now.

A great wine can turn a good meal into a memorable experience. What's excellent about my Merlot is its smoky black cherry, plum and toasty oak flavors that go well with grilled meats and your favorite red sauce pasta or pizza.

This wine kicks ass. You know me well enough by now to know that I wouldn't settle for anything less.
