

Jellybean VINEYARDS

moscato rosé

This beautifully-hued, richly-flavored wine is made with premium Moscato grapes, blended to perfection for smoothness and approachability.

our story

For enjoyment with today's boldly flavored cuisine, Jellybean Vineyards wines are crafted in a rich, juicy, modern style. Each Jellybean wine offers true varietal character, using grapes sourced from the finest growing regions around the world. These wines are for your indulgent side; wines you can count on to be luscious and rich, silky and smooth.

tasting notes

A hint of effervescence bolsters the fresh notes of strawberry, raspberry, peach and apricot in our lively Jellybean Moscato Rosé. Made with a classic blend of sunshine-loving Moscato and Syrah grapes, this lightly sparkling charmer enchants with a vibrant pink color and abundant berry notes to match. Perfect for pairing with starters or for capping off an evening of fun, the wine playfully balances ripe fruit and light acidity for a crisp, refreshing finish.
