tasting notes

From our sun-drenched vineyards comes Jellybean Sauvignon Blanc, an impeccably-balanced wine that offers up beautifully perfumed notes of Meyer lemon, ruby-red grapefruit and honeydew melon. In the mouth the wine reveals similar zesty citrus flavors backed by fleshier notes of ripe melon, juicy pear and a whiff of fresh tarragon. With a profile that is crisp, fruity and satisfying, this Sauvignon Blanc has a mouthwatering finish that begs another sip.
