VINEYARDS

2013 CABERNET SAUVIGNON MENDOCINO COUNTY

Herds of deer range the hills forming the Ukiah Valley. Two Cabernet Sauvignon vineyards on opposing hillsides of the valley come together, balancing each other to create a harmoniously flavorful wine.

This wine is the unique expression of a carefully nurtured piece of land, made manifest in each bottle. We do without conventional pesticides and synthetic fertilizers, treating the soil as a living, life-giving system. Our winegrowing practices create special wines, while sustaining our environment, the place where we live, and the people who live here.
