

**When a customer orders Pinot Noir,
Give them Parducci Pure Pinot.**

Parducci takes Pinot Noir seriously, delivering an authentic and delicious Pinot Noir at an unbeatable price.

This 100% pure Pinot Noir was blended in small lots from grapes that have been nurtured to produce a pure Pinot – rose in color, with a fresh berry fruit nose and finessed body.

Our vineyards are located in less discovered microclimates like coastal Mendocino County where cool nights and daily sunshine help our grapes achieve distinctive layers of flavors.

Parducci. Pure Pinot Noir.
