WINE ENTHUSIAST[®]

BUYING GUIDE

91 **Parducci 2014 True Grit Reserve Cabernet Sauvignon (Mendocino).** With excellent concentration and a firm, dry texture, this is a serious wine that's tempting to drink now but will be better after 2018. It smells slightly cedary and black-cherry-like, and tastes deep and ripe but not at all sweet. It will be waiting in the cellar for a good occasion with a choice cut of meat. *Cellar Selection.* —J.G.
